THE ANCHOR STEAKHOUSE

Welcome to the home of really great steak, plus, with our new BBQ Sides, you can get a real taste of Summer. We only use 30 day aged Steaks from the British Isles, with the meat aged for at least 7 days on the bone before heading to the dry ageing cabinet.

THERE'S NO SHORTCUT TO GREAT STEAK!

Please be aware that some cuts of steak, especially T-bone or cooking to Medium-Well or further, take a while to cook - please let us know if you're in a hurry...

HOW DO YOU LIKE YOUR STEAK?

Everyone has their own idea of how they like their steak and of course every piece of meat is different, requiring an expert touch to understand how the inside is doing by experience and intuition. To help us to get it right for you, this is how we interpret the degrees of grilling...

Blue: Lightly seared on the outside, red throughout - not for everyone!
Rare: A thin cooked layer on the outside of the Steak, then a hint of pink but mostly red.
Medium Rare: The cooked, pink & red layers are almost equal

Medium: The cooked and pink layers are equal, very little if any red
Medium Well: The cooked meat is now at least 75% of the Steak, with a only hint of pink
Well Done: Cooked throughout, no red or pink
